Brokenhearted

I'm brokenhearted Brokenhearted for you So don't get me started on repairs I know what you're gonna do You'll break it again I know I can't win You'll just break my heart again

You chose the words, you knew would make me cry You've probably done it to a hundred guys I'm not cryin', I've got somethin' in my eyes You said, "You never really felt a thing" You said, "You didn't like the way I sing" I'm not cryin' but my eyes they really sting

I'm brokenhearted Brokenhearted for you So don't get me started on repairs I know what you're gonna do You'll break it again I know I can't win You'll just break my heart again

You slapped my face before you said goodbye Called me a loser hopin' I would die I'm not cryin', I've got somethin' in my eye You said, "You never really felt a thing" You said, "You didn't like the way I sing" I'm not cryin' but my eyes they really sting

I'm brokenhearted Brokenhearted for you So don't get me started on repairs I know what you're gonna do You'll break it again I know, I can't win You'll just break my heart again

You'll break it again
I know I can't win
You'll just break my heart again
 (I'm broken, I'm broken, I'm broken)
You'll just break my heart again
 (I'm broken, I'm broken, I'm broken)
You'll just break my heart again
 (I'm broken, I'm broken, I'm broken)
You'll just break my heart again
 (I'm broken, he's broken, I'm broken)
You'll just break my heart again
