

Another Chance

My Brightest Diamond

If I get another chance at love
If I get another chance
I will call you my sweet thing

If I get another chance at love
If I get another chance
I'll hold you like I'm never leaving you

Everywhere I've been has got me right here now
I have no regrets
Every love I had, I bless you, thanks
I don't take it back
My love
My love

If I get another chance at love
If I get another chance
I will call you my sweet things

If I get another chance at love
If I get another chance
My kisses will be never-ending

Everywhere I've been has got me right here now
I have no regrets
If I have a chance to give
I'm not holding back
My love
Love
Love

You are my love
You are my love
You've got it now

You are my love
You are my love
You've got it now
You've got it now
You've got it now
You've got it now
Now
