

## Everything Is in Line

### My Brightest Diamond

Come sit next to me and tell me what you saw  
Six blackbirds flying north  
Icicles dropping from the rooftops

Come sit next to me and tell me where you've been  
You seem a little out of breath  
I ran down to Mr. Kimball's house and then I turned right back  
around

Everything is in line, all things will unwind  
Everything is in line, all things will unwind

Come sit next to me and tell me what you dream  
One day I'm gonna sail across the mountains in a hot air balloo  
n  
I don't doubt you, no I don't  
I don't doubt you, no I don't...

Sail across the mountains in a hot air balloon  
I don't doubt you, no I don't  
I don't doubt you, no I don't...

I'm so sorry I forgot your birthday  
A wish upon a card of peacock blue  
I'm so sorry I forgot your birthday  
I'm so sorry  
How are you

Everything is in line, all things will unwind  
Everything is in line, all things will unwind

How can you say that  
How can you  
How can you say that  
How can you  
Upside is downside  
And downside is up  
The tide is not subsiding

I don't doubt you, no I don't doubt you, no I don't...  
I don't doubt you, no I don't doubt you, I don't doubt you, no  
I don't...  
I won't doubt you, no I won't doubt you, I won't doubt you, no  
I won't...

Everything is in line, all things will unwind...
