Ready for whatever I feel eyes followin' me
When I get up on that stage
Gimmie, gimmie yo' money
I shake it until it sting
Bartender pour me a drink
Just watch how I do my thing & can't nobody tell me

Body rockin' to the beat, the bass is all I hear
Playaz comin' up to me whisperin' in my ear
But I don't even care, hataz, hataz gonna stare
I got so much confidence if it was possible I'd share

Shake it like a Urffquake, Shake it like a Urffquake
Shake it like a Shake it like a Shake it like a Urffquake
[repeat]
I'm a take it to the floor, floor, floor
I'm a give ya more, more, more

Ooh the way I rock You think that I was a rocket
'Cause in 3, 2, 1… I'm takin' off, don't try to stop it
I'm a 10 point 0, Off the charts Rock –n– Roll
Watch me do it wit' no hands
Cuff ya' man 'cause here I go
I only came to dance, so I don't need the drama
You can't be mad at me, I get it from my mama
I ain't been to the club in a minute
So when I hit the floor, Everybody gon' feel it

Shake it like a Urffquake, Shake it like a Urffquake
Shake it like a Shake it like a Shake it like a Urffquake
[repeat]
I'm a take it to the floor, floor, floor
I'm a give ya more, more, more
[repeat]
