

# Up Against the Wall

N'sync

You know we don't care at all  
let me see you up, up against the wall

I was just doin' my thing  
Hanging out at the spot  
You know the place we go  
The music's john blaze hot  
And everybody was feeling the DJ (the DJ)  
Smoke cleared and I saw a beautiful lady

The lights went low  
and the disco ball came down  
She walked up to me slow  
and you know what happens now  
The girl was fine and she knew she was game  
What more do I have to say?

She took my hand  
We never said a word at all  
She starting grinding  
Shorty had me up against the wall  
Ask me about tomorrow  
You know that I don't care at all  
I just got caught up when  
She had me up against the wall

You know we don't care at all  
Just get caught up when you're up against the wall  
We don't, we don't care at all (you know we don't care at all, let me see you  
u up, up, up against the wall)

It's almost 2 o'clock  
It's time to make my move  
The after hours spot  
Is where I'm going to  
Cause I gotta have some more  
Looking for somebody to hit the dance floor  
And lucky for me  
I see a fine young lady's eying me  
The lights are low  
and our friends were all around  
I walked up to her slow  
and you know what happens now  
She turned around  
and she worked in the worst way  
What more, do I have to say?

She took my hand  
We never said a word at all  
We starting grinding  
Shorty had me up against the wall  
Ask me about tomorrow  
You know that I don't care at all  
I just got caught up when  
She had me up against the wall  
Shorty had me up against the wall

Mirror mirror on the wall  
Who's the cutest one you saw?  
She's underneath the disco ball, the disco ball, the disco ball  
Standing next to strobe lights  
Dancin' hot, looking tight  
The freak show do come out at night, out at night, night, night, night..

What more do I have to say?  
She took my hand  
We never said a word at all  
We starting grinding  
Shorty had me up against the wall  
Ask me about tomorrow  
You know that I don't care at all  
I just got caught up when  
She had me up against the wall

She took my hand  
We never said a word at all  
We starting grinding  
Shorty had me up against the wall  
Ask me about tomorrow  
You know that I don't care at all  
I just got caught up when  
She had me up against the wall  
Shorty had me up against the wall

I just got caught up when you had me up against the wall  
We don't, we don't care at all  
You just get caught up when you're up against the wall  
We don't, we don't care at all  
You know we don't care at all  
Let me see you up, up against the wall  
We don't, we don't care at all  
You know we don't care at all  
You just get caught up when you're up against the wall  
We don't, we don't care at all  
You know we don't care at all  
Let me see you up, up against the wall
