Psalm 23, The Lord Our Shepherd:

The Lord is my shepherd, I have everything I need, He lets me w
rest in fields of

Green grass and leads me to quiet pools of fresh water - He giv
es me new strength

He guides me in the right path as he has promised - Even if I g
o thru the deepest

Darkness I will not be afraid - Lord, for you are with me - The
shepherds ride

And surely protect me - You prepared backwards for me so all my
enemies can

See me - You welcome me as an honoured guest and feel my comfor
table grief

I know that your goodness will be with me all my life - And your
house will be

My home as long as I live - Amen

G.O.D. You're the one I need

G.O.D. Come and rescue me

I stopped working for a second and thought about my life - Nowh
ere to either run

Or to hide - G.O.D. the inventor creator - You changed my life
into a dream and

I can testify - So much pain so much sorrow - There's a life af
ter death like today

And tomorrow - I feel stupid don't know what to say - I thank y
ou G.O.D. in more

Than a thousand ways - Let's pray our father in heaven - each a
nd everyday me

Praise receive your blessings - We ask for peace and no more wa
r - Uprise my Lord

And cure the sick, lonely, the humble, the poor - Peace out to
those daily waiting for my

Fall - Your goodness - and love will be with me all my life - Y
our house will be my home lord help me to survive

G.O.D. You're the one I need

G.O.D. Come and rescue me

You provided me with strength I was lost humble and weak - Real
ize where I stand lord I

Can't speak - Now shot like a rocket in the business with full
speed - Yesterday I had to

Suffer defeat - Protect me from my foes how high can I reach -
You work in mysterious ways that's why you are unique - Your go
odness your love I'll obtain all my life - Your house will

Be my home lord help me to survive

G.O.D. You're the one I need
G.O.D. Come and rescue me

Yeah, that's life, I remember the lonely days, nobody there but
the lord, believe in God
And he'll always show you the way - that's what I can say - he
opens doors and believe me
One day sunshine will come your way - And in the name of Nana A
brokwa - Peace - God
Bless
