

## Sacrifice

Nana Darkman

I Still Remember The First Time We Met Day One  
Today We Are Grown And We Are Still On The Run  
If Life Is A Bitch Then I Am The Pimp With The Gun  
And I Will Get What I Want Run Baby Run  
I Ain't Goin' Nowhere 'Til I Get What I Want  
Still Motivated Employee Of The Month  
I Got A Team A Fist Is Stronger Than A Thumb  
Sky Is The Limit Where The Words Of My Mom  
We Got A Black President Now Future Has Come  
A Black President Popstar No.1  
And I Represent All Those Who Came From Far  
God Bless Ya Ma  
So Clap Ya Hands And Stomp Ya Feet To The Beat  
Every Mother Is A Queen The Real Captain Of The Team  
God Save The Queen

After Years Of Emptyness I Had To Sacrafice Myself  
To Become A Better Man I Had To Sacrafice Myself  
I Have Shared Many Tears Now I Don't Have No Fear  
I Can See Very Clearly Now After The Rain Has Gone

now we've got right features to face all challanges  
it ain't about who you are it's a question of balances

After Years Of Emptyness I Had To Sacrafice Myself
