

Turn On The Sun

Nana Mouskouri

Turn on the sun, turn on the sun
Light up the world, come everyone
Turn off the wind, the thunder and rain
Turn on the sun, let's smile again

Turn on the sun, turn on the sun
Light up the world, come everyone
Turn off the wind, thunder and rain
Turn on the sun, let's smile again

Thinker, tailor man
Radiate all the love you can
Lawyer, engineer
Let your heart be a pioneer

Turn on the sun, turn on the sun
Open the doors, tell everyone
Bad times are out, good times are in
Turn on the sun, let's smile again

Minors, steeple-jack
Warm emotions are coming back
Sailor, stevedore
Here's a message you can't ignore

Turn on the sun, turn on the sun
Light up the world, come everyone
Turn off the wind, thunder and rain
Turn on the sun, let's smile again

Gather up all the goodness in you
Turn on the sun, turn on the sun
What a world when we all begin to
Turn on the sun, let's smile again

Turn on the sun, turn on the sun
Open the doors, tell everyone
Bad times are out, good times are in
Turn on the sun, let's smile again
