Nights In White Satin

Nancy Sinatra

Nights in white satin Never reaching the end Letters I've written Never meaning to send

Beauty I'd always missed With these eyes before

Just what the truth is I can't say anymore

Cause I love you Yes I love you

Oh how I love you

Gazin at people

Some hand in hand They can't understand Just what I'm goin through

Cause I love you Yes I love you Oh how I love you

Some try to tell me Thoughts they cannot defend

Just what you want to be You will be in the end

Cause I love you Yes I love you

Oh how I love you
