

# Goodbye

Nancy Wilson

I'll never forget you  
I'll never forget you  
I'll never forget how we promised one day  
To love one another forever that way  
We said we'd never say  
Goodbye

But that was long ago  
Now you've forgotten, I know  
No need to wonder why  
Let's say farewell with a sigh  
And let love die

But we'll go on living  
Our own way of living  
So you take the high road  
And I'll take the low  
It's time that we parted  
It's much better so  
Kiss me as you go  
Goodbye

But that was long ago  
Now you, you've forgotten, I know  
No need to wonder why  
Let's say farewell with a sigh  
And let love die

We'll go on living  
Our own way of living  
So you, you take the high road  
And I'll take the low  
It's time that we parted  
It's much better so  
Kiss me as you go!
