## **Fool to Love**

I was a fool to love I was a fool to love you I was a fool to love I was a fool to love, love you

Hey lonely, sorry that I'm leaving you, my friend Don't own me, on my back and teasing me again Again, aga-yeah-yeah-yeain Again, again, aga-yeah-yeah-yeah-yeain

And I bet you, hide from me this pleasure over pain But who loved you is seasoned up, it rains on me again Again, aga-yeah-yeah-yeain Again, again, again

I was a fool to love you I was a fool to love Yeah, we could've had it all, oh oh oh all I was a fool to love you I was a fool to love Yeah, we could've had it all, oh oh oh all I was a fool to love you I was a fool to love you

It's funny how we play these mindless games, my friend They hold me back with insecurities again Again, aga-yeah-yeah-yeah-yeain It's time for a stronger me, ooh ooh ooh ooh ooh ooh

So I'm giving you up, giving you up It's the only way, I'm not gonna save us Got over my self-doubt You won't have to tell me again Again, aga-yeah-yeah-yeain Again, again, again

I was a fool to love you I was a fool to love Yeah, we could've had it all, oh oh oh all I was a fool to love you I was a fool to love Yeah, we could've had it all, oh oh oh all

My goodbye to you Self-assurance is taking me over Yeah yeah It's time to let you slip from my shoulder I'm wise and I'm older Yeah yeah

I was a fool to love you I was a fool to love Yeah, we could've had it all, oh oh oh all I was a fool to love you I was a fool to love Yeah, we could've had it all, oh oh oh all I was a fool to love you I was a fool to love I was a fool to love you I was a fool to love I was a fool to love
