

# We Don't Give A

Nao

Just to hear your name  
We can at least turn the world upside down  
It makes me wonder  
Do you feel the same thing?  
Are we allowed?  
We all got jungle fever  
No law of attraction holding us down  
We don't have to fight it  
Whatever they say won't affect me now

No matter what they think, I'm all for you  
When I'm by your side, just walk on through  
I think that we should tell them (just tell them)  
We don't give a

Did the world come to an end?  
Did we turn it upside down?  
Stuff is spinning 'round  
It makes me wonder  
How cruel, I chose to laugh  
Let you walk somehow  
We all got jungle fever, yeah  
Who cares what they think?  
Break those boundaries down  
Don't have to fight it, now  
Just following your heart's all we need from now

No matter what they think, I'm all for you  
When I'm by your side, just walk on through  
I think that we should tell them (just tell them)  
Oh, no  
We don't give a  
Yeah  
No matter what they think, I'm all for you  
When I'm by your side, just walk on through  
No, no, no, no, no  
We don't give a

We don't give a damn what's on your mind  
It's alright  
You're not worth a minute of our time  
It's alright  
However we choose to live our lives  
It's alright  
I think that we should tell them

No matter what they think, I'm all for you  
When I'm by your side, just walk on through  
I think that we should tell them (just tell them)  
Oh, no  
We don't give a  
Yeah, yeah  
No matter what they think, I'm all for you  
When I'm by your side, just walk on through  
I think that we should tell them  
No, no, no, no, no  
We don't give a
