

On the Highest Mountain

Narnia

Follow me! Follow who? What is new?
Will I ever know?
I'm seeking confirmation, participation,
A broader vision
Finding out the latest truth
Twenty years ago the call
To be a voice for the man who gave it all
Jesus Christ, The son of God
The solid rock The Lion's roar
We are here through it all
Get up, cry out on the highest mountain
We're not ashamed, not afraid to fall
Stand up and fight for the truth of ages
Let us declare freedom, One for all
Read your bible, say a prayer
For your brother, it's time to care
We all need salvation
On high horses, we're riding high
Riding blind, but still we try
Time for redemption
