

Sunrise

Narnia

Sunrise, and the new day's
breaking through.
The morning of another day without you.
And as the hours roll by
noone's there to see me cry
except the sunrise,
the sunrise and you.
Tired eyes drift across the shore.
Looking for love and nothing more.
But as the sea rolls by
noone's there to see me cry
except the sunrise,
the sunrise and you.
Sunrise, bless my eyes.
Catch my soul, make me whole again.
Sunrise, new day hear my song.
I'm tired of fighting
and fooling around.
But from now until who knows when?
My sword will be my friend.
And I'll love you...love ya
for all of my time.
Sunrise, bless my eyes.
Catch my soul, make me whole again.
(Repeat)
Sunrise.
