

Young Love

Nat Stuckey

They say for every boy and girl there's just one love in this o
ld world
And I know I've found mine
The heavenly touch of your embrace tells me no one can take you
r place
Ever in my heart
Young love first love filled with true devotion
Young love our love we share with deem emotion
Just one kiss from your sweet lips will tell me that your love
is real
And I can feel that it's true
We will vow to one another that there'll never be any other
Love for you or for me
Young love first love...
Young love
