

# More Than Anything

Natalie Grant

I know if you wanted to you could wave your hand  
Spare me this heartache and change your plan  
And I know any second you could take my pain away  
But even if you don't I pray

Help me want the Healer more than the healing  
Help me want the Savior more than the saving  
Help me want the Giver more than the giving  
Help me want you Jesus more than anything

You know more than anyone that my flesh is weak  
And you know I'd give anything for a remedy  
And I'll ask a thousand more times to set me free today  
Oh but even if you don't I pray

Help me want the Healer more than the healing  
Help me want the Savior more than the saving  
Help me want the Giver more than the giving  
Oh Help me want you Jesus more than anything

When I'm desperate and my hearts overcome  
All that I need you've already done  
When I'm desperate and my hearts overcome  
All that I need you've already done

Oh Jesus Help me want you more than anything

Help me want the Healer more than the healing  
Help me want the Savior more than the saving  
Help me want the Giver more than the giving  
Help me want you Jesus more than anything  
Help me want you Jesus more than anything
