

# Beauty on the Fire

Natalie Imbruglia

- G**  
1. Here it comes again  
**Em Bm**  
Cannot out run my desire  
**G**  
Cover my decent  
**Em Bm**  
And throw the Beauty on the fire  
**G**  
Drawn towards the edge  
**Em Bm**  
Do I assume I could fly  
**G**  
Every secret shared  
**Em Bm-A-E**  
Why do I drink the feelings dry  
**G**  
Don't go too far  
**B Bm-A-E**  
Limitation scars
- D G Bm G**  
R: Tonight could I be lost forever  
**D G Bm G**  
To drown my soul in sensory pleasure
2. Here it comes again  
You raise the bar even higher  
I cannot catch my breath  
So throw the  
Beauty on the fire  
Don't push too hard  
Limitation scars
- R: Tonight could I be lost forever  
To drown my soul in sensory pleasure  
sensory pleasure sensory pleasure  
sensory pleasure could I be lost forever
- D G Bm G**
