

# If You're Gonna...

Natasha Bedingfield

I got a short attention span  
Can't sit around couch potato land  
I want to do all kinds of stuff  
Talking about it's not enough  
I want to go to the extreme  
I want to stretch my limousine  
I want to take it way off road  
Go where I'm not supposed to go

Life is music, play it louder

If you're gonna jump, then jump far, fly like a sky diver  
If you're gonna be a singer, then you better be a rock star  
If you're gonna be a driver, then you better drive a race car  
Cause I'm looking for a guard dog, not buying a chihuahua

I like my food with chili in  
I like to laugh til it turns in  
I want to stare fear in the face  
I want to take it all the way

Life is music play it louder

If you're gonna jump, then jump far, fly like a sky diver  
If you're gonna be a singer, then you better be a rock star  
If you're gonna be a driver, then you better drive a race car  
Cause I'm looking for a guard dog, not buying a chihuahua

If you're gonna jump, then jump far,  
If you're gonna  
If you're gonna hit the high notes, you gotta be a diva  
If you're gonna play a guitar, you gotta play til you blister  
Cause I'm looking for a guard dog not buying a chihuahua

No happy apples for my tea  
It's hot or cold no in between

If your gonna jump  
If your gonna jump  
If your gonna jump

If you're gonna jump, then jump far, fly like a sky diver  
If you're gonna be a singer, then you better be a rock star  
If you're gonna be a driver, then you better drive a race car  
Cause I'm looking for a guard dog, not buying a chihuahua

If you're gonna jump, then jump far,  
If your gonna  
If your want to hit the high notes, you gotta be a diva  
If your gonna play a guitar, you gotta play til you blister  
Cause I'm looking for a guard dog not buying a chihuahua
