## Let Me Love You (Until You Learn to Love Yourself)

Much as you blame yourself, you can't be blamed for the way that you feel Had no example of a love, that was even remotely real How can you understand something that you never had Ooh baby if you let me, I can help you out with all of that Girl let me love you And I will love you Until you learn to love yourself Girl let me love you And all your trouble Don't be afraid, girl let me help Girl let me love you And I will love you Until you learn to love yourself Girl let me love you A heart of numbness, gets brought to life I'll take you there Girl let me love you Girl let me love you baby, oh Girl let me love you Girl let me love you baby Girl let me love you Let me love you, let me love you, oh I can see the pain behind your eyes It's been there for quite a while I just wanna be the one to remind what it is to smile I would like to show you what true love can really do Girl let me love you And I will love you Until you learn to love yourself Girl let me love you And all your trouble Don't be afraid, girl let me help Girl let me love you And I will love you Until you learn to love yourself Girl let me love you A heart of numbness, gets brought to life I'll take you there Girl let me love you baby Girl let me love you Let me love you, let me love you baby Girl let me love you Girl let me love you baby Girl let me love you Let me love you, girl let me love you baby For every heart that beats For every heart that beats For every heart that beats, heart that beats...
