

# Mr. Upside Down

Neal Morse

I got freedom, I got everything  
I got ten telephones that will not ring  
But there mine now  
Yeah, their mine  
You can serve me but you better be quick  
Serve me well and I'll do my trick  
And I'm on now  
Yeah, I'm on

I'm hot or cold, I'm sky or ground  
Call me Mr. Upside Down  
Mr. Upside Down  
Mr. Upside Down

I am funky, I'm a funky man  
Got the world by the second hand  
And I'm down now  
Yeah, I'm down

Bring it on in sense of round  
Call me Mr. Upside Down  
Mr. Upside Down

Say goodbye to Mr. Upside Down  
Mr. Upside Down  
Mr. Upside Down  
Mr. Upside Down
