

## Sorcerer of Death's Construction

Necro

I'll bloody up a Hard Rock, shut up and box, I'll cut you with  
an ox  
Then I'll fix your face with the skin from your buttocks  
Amazing with a razor craving to puncture  
More depraving than Wes Craven  
Braver behaviour than Kraven the Hunter  
You're lifeless, I'll show you what trife is if you front  
Molest your wife with a rifle then shove a knife in her cunt  
Introduce pigs like Riggs to disfigurement  
Malignant, my pit chews your ligament like Wrigley Spearmint  
Put a hole in your neck, I'm Die Hard, stab you with an iron ro  
d  
I am God, lion heart, show respect  
Kid, don't let your pride affect the way you conversate with me  
Fucking with me a side effect is surgery, tracheotomy  
Jabberjaw, we'll sniff you out like a Labrador  
Jab your jaw, stabbed like a crab claw abracadabra gore  
Terrify you like Sheriff Hoyt, a creep like Jon Voight in Heat  
Dead in the street, cops can't verify you

Chaos (Evil minds that plot destruction)  
Power  
Violence (Sorcerers of death's construction)  
Fury  
You live (Evil minds that plot destruction)  
You die  
And death (Sorcerers of death's construction)  
What ?

You're a disgust to me, you got busted and requested protective  
custody  
Scared to get tested, it's a must you bleed  
Have a TV break over your head, give you a Tom Savini makeover  
You'll wake up dead when the meat cleaver takes over  
Like Manolo with the barrel, a chrome arrow makes a narrow hole  
through your Polo apparel into bone marrow  
? clapped, you're handicapped like Brandi kid  
You tapped out, you rock a fannypack, fuck you up like Manny Pa  
c  
You got the shingles like old ladies at bingo  
With dingleberries in their bunghole, you're wholesome like ?  
Death is a trife conondrum, cut you in half with a knife  
I laugh while you plunge into the afterlife dungeon  
Beat you mercilessly purposely for no purpose  
The perp is high on ? I'll cut you with sharp scissors nervously  
? like ? poopers stick a nail in a droopy female groupie's anal  
poopy trail

Dead you like Soupy Sales

Evil minds that plot destruction
