

Stand By Me

Needtobreathe

When the night has come and the land is dark
And the moon is the only light you'll see
No, I won't be afraid, oh I won't shed a tear
Just as long as you stand, stand by me

So darlin', darlin', stand by me
Oh, stand by me
Whoa-oh, stand, won't you stand
Stand by me

If the sky that we look upon should tumble and fall
And the mountains should crumble to the sea
I won't cry, I won't cry, no I won't shed a tear
Just as long as you stand, stand by me

So darlin', darlin', stand by me
Oh, stand by me
Whoa-oh, stand, won't you stand
Stand by me

So darlin', darlin', stand by me
Oh, stand by me
Whoa-oh, stand, won't you stand
Stand by me

Stand by me
Stand by me
Stand by me
Mmh, stand by me darlin'

Oh, just stand by me
Oh, just stand by me
Darlin' won't you stand by me
Oh, darlin' won't you stand by me
Oh, darlin' won't you stand by me
Won't you stand
Won't you stand
Won't you stand
Won't you stand
Won't you stand

Darlin', darlin' stand by me
Oh stand by me
Oh stand, won't you stand
Stand by me
