

## Chelsea Morning

Neil Diamond

Woke up, it was a Chelsea morning  
And the first thing that I heard  
Was the song outside my window  
And the traffic wrote the words  
It came ringing up like Christmas bells  
And rapping up like pipes and drums

Won't you stay  
We'll put on the day  
And we'll wear it 'till the night comes

Woke up, it was a Chelsea morning  
And the first thing that I saw  
Was the sun through yellow curtains  
And a rainbow on the wall  
Red, green and gold to welcome you  
And crimson crystal beads to beckon

Won't you stay  
We'll put on the day  
There's a sun shower every second

Woke up, it was a Chelsea morning  
And the first thing that I knew  
There was milk and toast and honey  
And a bowl of oranges, too  
And the light poured in like butterscotch  
And stuck to all my senses

Won't you stay  
We'll put on the day  
And we'll talk in present tenses
