

## Dear Father

Neil Diamond

Dear Father  
We dream, we dream  
We dream  
While we may

Who are we to need  
We need we need  
While we wait  
While we wait

Dear Father  
We dream, we dream  
We dream  
While we may, while we may

Who are we to need  
We need, we need  
While we wait  
While we wait
