

# Man Of God

Neil Diamond

I'm a man of God  
Though I never learned to pray  
Walked the pathways of the heart  
Found him there along the way

And I am, yes I am, I'm a man of faith  
And faith is something you can't see  
But if we want to make it through  
Faith is how it's got to be

I'm thanking you Lord for giving me song  
For making me strong  
And for taking my hand  
I'll go up to heaven when I reach the end  
But up until then  
Gonna do what I can

And I can, yes I can be a man of peace  
Plant it like a tiny seed  
It grows a little when you give  
And gives you back when you're in need

No I am, yes I am, I'm a man of song  
Gonna sing it far and near  
Gonna make a joyful sound  
One that every heart can hear

Singing for Him is like touching the sky  
I don't need to know why  
I just know that it is

Each time I sing out I want to rejoice  
Cause when I hear my voice  
I believe that it's His  
And I am, yes I am, I'm a man of hope.  
I haven't stopped believin' yet  
And while we're headin' down that road  
Hope is what we can't forget

And I am yes I am, I'm a man of God  
Know I am, yes I am, I'm a man, I'm a man of faith  
I'm a man, yes I am, I'm a man, I'm a man of peace  
And I am, yes, I am, I'm a man, I'm a man of song

I'm a man of God  
Man of God
