

Someone Who Believes in You

Neil Diamond

Believe me,
I'm someone who believes in you
Say you really had a million dollars
And a car for ev'ry day of the week
So what? You know what?
It wouldn't mean not a single thing
Without that someone who believes it too
Yeah, you gotta have someone
Who believes in you

Say you really had a Hollywood contract
And your face upon a big billboard
Big car, big star
You'd move a lot
But you wouldn't get far without
That someone who believes it too
You better have someone
Who believes in you

You are the truest part of me
That quiet place
Where I can be strong
You come to fill my deepest need
You call my name and I hear your song

Believe me,
There's someone who believes in you

So you really got the hots for stardom
All you need is some big guitar
To take you and make you
Into an overnight star
And then you'll find
That stars get lonesome too
And you better have someone
Who believes in you

You are the truest part of me
That tender place
Where I can be strong
You come to fill my deepest need
You speak my name
And I hear your song

So you really want a job in the circus
Paint your face and make the people smile
Hey clown, come on down
You've been too long walkin' that high wire
When you're falling, you'll be calling too
Calling out to someone
Who believes in you
Someone
Who's there when nobody needs you
Callin' out to someone
Who believes in you
