## **Neil Diamond**

Stones would play inside her head And where she slept, They made her bed And she would ache for love And get but stones

La la la la la la la

Lordy, child
A good day's comin'
And I'll be there to let the sun in
And bein' lost
Is worth the comin' home

La la la la la la la la on stones

You and me, a time for planting You and me, a harvest granting The every prayer ever prayed For just two wild flowers that grow

La la la la la la la la on stones

 ${\tt Mmmmmmm....}$
