

# There Is A Light That Never Goes Out

Neil Finn

Take me out tonight  
Where there's music and there's people  
Who are young and alive  
Driving in your car  
I never, never want to go home  
Because I haven't got one  
Anymore

Take me out tonight  
Because I want to see people  
And I want to see lights  
Driving in your car  
Oh please, don't drop me home  
Because it's not my home, it's their home  
And I'm welcome no more

And if a double-decker bus  
Crashes into us  
To die by your side  
Is such a heavenly way to die  
And if a ten ton truck  
Kills the both of us  
To die by your side  
Well, the pleasure, the privilege is mine

Take me out tonight  
Take me anywhere, I don't care, I don't care, I don't care  
And in the darkened underpass  
I thought: 'Oh God, my chance has come at last!'  
But then a strange fear gripped me  
And I just couldn't ask

Take me out tonight  
Oh take me anywhere, I don't care, I don't care, I don't care  
Driving in your car  
I never, never want to go home  
Because I haven't got one  
Oh I haven't got one

And if a double-decker bus  
Crashes into us  
To die by your side  
Is such a heavenly way to die  
And if a ten ton truck  
Kills the both of us  
To die by your side  
Well, the pleasure, the privilege is mine

There is a light and it never goes out..
