

Fallin'

Neil Sedaka

I got the feeling I'm-a fallin'
Like a star up in the blue
Like I was fallin' off Niagra
In a paddle boat canoe
Mmm, I got to feeling I'm a fallin'
And it's all because of you

Like I was walking on a tight rope
Swinging in the breeze
And though I tried to keep my balance
Yeah, I weaken in the knees
I got the feeling I'm a fallin'
Lover, help me please

Like a leaf falls from a branch
Like a rock slide avalanche
Like the rain on a stormy day
I never thought I'd fall this way

I thought that love could never touch me
Yeah, I was riding high
And then my ivory tower toppled
And I tumbled from the sky
Mmm, I got to feeling I'm a-fallin'
You're the reason why

Like a life well he married for
Just like the walls in Jericho
Like Delilah's holy town
And Samson tore it down

I thought that love could never touch me
Yeah, I was riding high
And then my ivory tower toppled
And I tumbled from the sky
Mmm, I got to feeling I'm fallin'
And you're the reason why (fallin')

Oh, you're the reason why (fallin')
Oh, love, you're the reason why (fallin')
Love, love, you're the reason why (fallin')
Whoa, you're the reason
