Where is the Highway Tonight?

I would be feelin' so low She'd have a new place to go She'd take me in her arms And show me all her charms Until my troubles were gone.

Then when I left her behind Never a tear could I find Just a haunting melody Comin' back to me Where is the highway tonight?

Where is the highway tonight? Where are those old days and crazy nights?

Now the house is all quiet and still Coyote howls on the hill How far did I go Before we said hello Where is the highway tonight?

Darlin', you'll always be mine I'll never treat you unkind But a haunting melody Keeps comin' back to me Where is the highway tonight?

Where is the highway tonight? Where are those old days and crazy nights?

A haunting melody Keeps comin' back to me Where is the highway tonight?
