

# Adios

Nellie McKay

If time runs like a river  
I saw my people bathed in blood  
And if the faithful find the sinners  
I'll have to leave all I have loved

(Adios)  
Goodbye, oh, hypocrite heathens  
(Adios)  
Goodbye, oh, false paradise

(Adios)  
Goodbye, oh, rinky-dink Eden  
And may you lie yourselves to sleep  
Tonight

We're marching through the madness  
With not a soul about to see  
We're moving through the fortress  
Chasing the ghosts of anarchy

(Adios)  
Goodbye, my Frankenstein lady  
(Adios)  
Goodbye, oh, pagan delights

(Adios)  
Goodbye and good riddance, baby  
And may you lie yourselves to sleep  
Tonight
