Meditation

Nellie McKay

In my loneliness when you're gone And I'm all by myself and I need your caress I just think of you and the thought of you holding me near Makes my loneliness soon disappear

Though you're far away I have only to close my eyes and you are back to stay I just close my eyes and the sadness that missing you brings Soon is gone and this heart of mine sings

Yes I love you so and that for me is all I need to know I will wait for you till the sun falls from out of the sky For what else can I do I will wait for you, meditating how sweet life Will be when you come back to me
