

## Love Me Today Part II

Nelson

Looking back on a girl I knew  
Whose smile and laughter carried me through  
Oh, the way that I felt when she looked at me that way

When I heard she was gone I had no one to hold  
I wept as I felt my heart growin' cold  
Like poppa she taught me there's no time like today  
...i hear her saying

Love me today, and let my strength be your own  
Love me today, because tomorrow I'll be gone  
When I feel it's time to go - I'll be on my way  
So love me today

I remember a time back when  
Poppa would laugh as I held his hand  
And just one embrace would make my troubles pass

I thought those times would never end  
The day that he left he smiled and he said,  
I'll be home soon but poppa never came back...  
I hear him saying

Don't be afraid to say, "i love you"  
Take the moment and make it last  
;@cause if you don't tell them you love them  
You might not get a second chance  
...so hear them saying

Love me today, and let my strength be your own  
Love me today, because tomorrow I'll be gone  
When I feel it's time to go - I'll be on my way  
So love me today  
....love me today (oh)
