

Golden Ring

Neneh Cherry

I wasn't born
Born to stay
Thought that I'd buy you
A golden ring
A golden ring for your finger
Yeah
A golden ring for your finger
I was a woman
That was born to travel
I'd go anywhere
That whims would allow
Now I'm going to buy a ring
A golden ring for your finger x3
I thought you'd never
Ever relate
To a stranger
Of a thousand years to late
Now I'm going to buy a ring
Yeah
A golden ring for your finger x2
I thought you'd never
Ever relate
To a stranger
Of a thousand years to late
Now I'm going to buy a ring
Yeah
A golden ring for your finger x3
