

# Everybody Talks

Neon Trees

**D**  
1. Hey baby won't you look my way  
**G**  
I can be your new addiction  
**D**  
Hey baby what you gotta say?  
**G**  
All you're giving me is fiction  
**D** **G**  
I'm a sorry sucker and this happens all the time  
**A**  
I found out that everybody talks  
Everybody talks, everybody talks

**D**  
R: It started with a whisper  
**G**  
And that was when I kissed her  
**A** **G**  
And then she made my lips hurt  
**D**  
I could hear the chit chat  
**F#**  
Take me to your love shack  
**G** **A**  
Mamas always gotta back track  
**D**  
When everybody talks back

**D**  
2. Hey honey you could be my drug  
**G**  
You could be my new prescription  
**D**  
Too much could be an overdose  
**G**  
All this trash talk make me itchin  
**A**  
Oh my mouth Yeah  
Everybody talks, everybody talks  
Everybody talks, too much

R: It started with a whisper...

**G**  
\*: Never thought I'd live  
**D**  
To see the day  
**G** **A**  
When everybody's words got in the way

**D D**

**D**  
Hey sugar show me all your love  
**G**  
All you're giving me is friction

**D**

Hey sugar what you gotta say?

R: It started with a whisper...

**D**

Everybody talks

Everybody talks

**G**

Everybody talks

Everybody talks

**A**

Everybody talks

**G**

**D**

Everybody talks...back

**D**

It started with a whisper

**G**

And that was when I kissed her

**A**

Everybody talks

**G**

**D**

Everybody talks...back
