

Disappointed

NeraNature

Carried away by the dream
You went too far
You sold your soul like you sell an old car
The unavoidable was revealed
With each veiled word you said
With each slick move you made
It's hard to believe but I can't wish you anything good
I can't wish you anything at all

Visions and sound keep taking me back
To the moments I liked
To the moments you lied
And again I realize
What must be done
I close my eyes
I swear off my past
And let a part of me die away ... again

I've never felt so disappointed...I'm disappointed
