

What ever happened to Analee?
And all the kids on Geno Street
Where did they go
I wanna know
What ever happened to Lulu?
Yeah

What ever happened to Handbag Jenny?
Remmy the (?) was kind of funny
The scene was hot
And now it's not

What ever happened to Lulu?
Yeah
Yeah
Yeah, Lulu

Where did they go
It makes me, makes me wanna cry
We'll meet again
At the Alex's Cantinas in the sky

What ever happened to Analee?
Kelly, Hustle, and Stephanie?
Nosering-Nosering Girl why can't ya
Help me find Diana

And what ever happened to Lulu?
Yeah, Lulu
Yeah, Lulu
Yeah, Lulu
Yeah

Lulu...
Lulu
