Nerf Herder

Awesome

An old plastic mug  
With a picture of a smurf on it... smurf  
And an old white leather sofa  
With a brown stain, where you use to sit  
And a statuette of a dragon  
Clutching a crystal orb  
And a t-shirt of a unicorn flying through space  
That was tattered and worn

A few years ago  
I got invited to your birthday party  
I wanted to make an impression  
So I walked up and down State street  
To the hippy store  
To buy a nice preasent for you, uh-huh  
A Scooby Doo  
I spent \$34.95 on a very fancy scented candle  
It smelt like strawberry Pop Tarts... and oregeno  
I rubbed it all over my body  
And wrapped it up to give it to you  
But here it is

I found a birthday present for you, for you  
A dusty old birthday present for you  
I found a birthday present for you, for you  
A crummy old birthday present for you, for you
