

# Wanna Die for You

**Netsky**

I wanna live I wanna die for you  
You know I'll never gonna lie to you  
I wanna laugh I wanna cry for you  
Now I try anything for you

I wanna live I wanna die for you  
You know I'll never gonna lie to you no no  
I wanna laugh I wanna cry for you  
Now I try anything for you

I wanna try anything for you
