well this sickness hasn't left hasn't left me, don't know why. if my health does not come back i'm gonna die.

here comes my ride, its not that fast and i know why. cause my friends don't drive the benz they drive them yellow datsun.

hey, lady, please don't
make me the fool.
I'm wearing sleves on my heart for you.

i ain't gonna live
and i think that doc knows why.
i got morphine in my skin
i got some stars in my eyes.
i got morphine in my sleves
got some stars in my eyes.

hey, lady, please don't make me the fool. cause jerry's kids been bettin' on this information they got from you.

well i ain't gonna live
but i'll race you to the sun.
i can't loose, i'm gonna win
i'm in my yellow datsun.
I won't loose, i'm gonna win
i'm in my yellow datsun.
