

# A Thousand Miles Away

New Edition

You're a thousand miles away  
But I still have your love to remember you by  
Oh my darling  
Dry your eyes  
Daddy's coming home soon

On my knees every day all I do is pray  
Baby just for you  
Hope you always  
Want me too  
Daddy's coming home soon

It may be on a Sunday morning  
It may be on a Tuesday afternoon  
But no matter what the day  
I'm going to make it my business  
To get home soon

You're a thousand miles away  
But I still have your love to remember you by  
Oh my darling  
Dry your eyes  
Daddy's coming home soon
