

## All About Her

New Found Glory

Let me practice this before I say it to you  
I know it might come out wrong but I want it to  
Another chance to fight  
Another way to make it right  
So forget all of your chances  
It's up to you to follow through  
Forget the way she was  
Cause it's the things she does that make me  
Sing about her  
She knows I care about her  
She said be gentle boy  
You show a lack of character  
Let me work this out  
Before I come back to you  
I know you  
Sometimes hate the stupid things I do  
Another lonely night  
Another way to make it right  
So forget al of your chances  
it's up to you to follow through  
forget the way she was  
cause it's the things she does that make me sing about her  
she knows I care about her  
she said be gentle boy  
you show a lack of character  
there is no other way this girl is so all about me  
I'm sorry I can't help the way  
Cause it's the things she does that make me  
Sing about her  
She knows I care about her  
She said be gentle boy  
You show a lack of character.
