1. I feel so extraordinary, something's got a hold on me

I get this feeling I'm in motion, a sudden sense of liberty

I don't care 'cause I'm not there and I don't care if I'm here tomorrow

Again and again I've taken too much of the things that cost you too much

Emi **G** **D**
R: I used to think that the day would never come
 A **Emi**
I'd see delight in the shade of the morning sun
 G **D**
My morning sun is the drug that brings me near
 A **Emi**
To the childhood I lost, replaced by fear
 G **D**
I used to think that the day would never come
 A
That my life would depend on the morning sun...

2. When I was a very small boy, very small boys talked to me
Now that we've grown up together, they're afraid of what they see
That's the price that we all pay and the value of destiny comes to nothing
I can't tell you where we're going, I guess there was just no way of knowing

R: I used to think...

3. I feel so extraordinary, something's got a hold on me
I get this feeling I'm in motion, a sudden sense of liberty
The chances are we've gone too far, you took my time and you took my money
Now I fear you've left me standing in a world that's so demanding

R: I used to think... (2x)
