

Waiting For The Siren's Call

New Order

D D G D

D

1. What does this ship bring to me

D

Far across the restless sea

G

Waiting for the sirens call

D

I've never seen it here before

2. There she plies the lonely trail
Getting through the breaking winds
Drifting slowly from the coast
She is lost forever more

3. We all want some kind of love
But sometimes it's not enough
To the wall and through the door
With a stranger on the shore

Hmi A

R: I won't desert you

G

I don't know what to say

Hmi A

I really hurt you

G

I nearly gave it all away

Hmi A

I've got it all

G

Cause you were not the one

Hmi A G

I don't know where to turn when you're gone

D

When you're gone

4. Gotta catch the midnight train
First to Paris then to Spain
Travel with a document
All across the continent
5. City life is flying by
The wheels are turning all around
Get on board we can't be late
Our destination cannot wait
6. All the stars and all the worlds
Filling up this universe
Can never be as close as us
We never shine as bright or??

R: I won't desert you...

D D G D (3x)

R: I won't desert you...

Hmi A G

*: How many times must I lose my way, hey

Hmi A G

How many words do I have to say, hey

Hmi A G

What can I do just to make you see

Hmi A G

That you're so good for a man like

Hmi A G

A man like me

Hmi A G
