Waiting For The Siren's Call

New Order

D D G D

D

1. What does this ship bring to $\ensuremath{\text{me}}$

D

Far across the restless sea

G

Waiting for the sirens call

ח

I've never seen it here before

- 2. There she plies the lonely trail Getting through the breaking winds Drifting slowly from the coast She is lost forever more
- 3. We all want some kind of love But sometimes it's not enough To the wall and through the door With a stranger on the shore

Hmi A

R: I won't desert you

G

I don't know what to say

Hmi A

I really hurt you

G

I nearly gave it all away

Hmi A

I've got it all

G

Cause you were not the one

Hmi

A

I don't know where to turn when you're gone

D

When you're gone

- 4. Gotta catch the midnight train First to Paris then to Spain Travel with a document All across the continent
- 5. City life is flying by The wheels are turning all around Get on board we can't be late Our destination cannot wait
- 6. All the stars and all the worlds Filling up this universe Can never be as close as us We never shine as bright or??
- R: I won't desert you...

D G D (3x)

Hmi A G

*: How many times must I lose my way, hey

Hmi A G

How many words do I have to say, hey

Hmi A

What can I do just to make you see $\$

Hmi A G

That you're so good for a man like

Hmi A G

A man like me

Hmi A G
