

All my world, all I've lost  
The wrecks I've made here  
The lives it cost  
Your hand restores  
Your words make whole  
With all my soul  
I thank You, I owe You  
All my

Devotion  
All that I have to give  
Here's my devotion  
You're all that it means to live

All my past, my tainted name  
You stole it's legacy  
Of pride and shame  
You're all I love  
You're all I fear  
I'm drawing near  
To face You, to know You  
To show You

Devotion  
All that I have to give  
Here's my devotion  
You're all that it means to live

You found me in a shallow grave  
You dragged me out from beneath it all  
You healed me, saved me  
In the nick of time  
Your perfect time

You found me in a shallow grave  
You called me out from beneath it all  
You touched me, saved me  
In the nick of time  
Your perfect time

I'll devote all I have to You  
I'll devote all that You've made new  
All You restored that day You bled  
All that You brought back from the dead, oh

Devotion  
All that I have to give  
Here's my devotion  
You're all that it means to live

You're all that it means to live  
My Lord my devotion
