On Your Knees

Newsboys

Lately, she's been thinking what her daddy said
How when you're winning, you got more friends
But are they your friends if you fall they're gone?
Something about those kind of people seems wrong

Who's gonna be there when the phone call knocks her down?
All of the steeples but she can't hear a bell sound
Jumps on a bus to head downtown and picks up a paper
That's been blowing around, it says

When your heart breaks, He'll hurt for you
Dreams are out of reach, He'll pull you through
When you lose hope all you gotta do is
Get on your knees again

Not long now and you're gonna see
No mountain's too high for you or for me
Or fall too far if you can believe
And get on your knees, on your knees again

She pulls up her paper and puts it in her bag
Knows she really needs a savior like that
Walking past her church just up the street
Says, "Maybe it's time to get on my knees"

'Cause He was there when no one was around
All of the people but no one made a sound
Thinks of her brother who's been feeling down
Pulls out the paper and reads it aloud

When your heart breaks, He'll hurt for you
Dreams are out of reach, He'll pull you through
When you lose hope all you gotta do is
Get on your knees again

Not long now and you're gonna see
No mountain's too high for you or for me
Or fall too far if you can believe
And get on your knees, on your knees again

Giving everything you've got
Still it's hard to believe
Love comes from the inside out
If you wanna be free

Gotta give your life and never stop
When you're thinking about giving up
Get on your knees

When your heart breaks, He'll hurt for you
Dreams are out of reach, He'll pull you through
When you lose hope all you gotta do is
Get on your knees again

Not long now and you're gonna see
No mountain's too high for you or for me
Or fall too far if you can believe

And get on your knees, on your knees again
On your knees again, on your knees again

When you've giving everything you've got
Gotta give your life and never stop
If you wanna be free, on your knees again
