

# Step Up to the Microphone

Newsboys

I say hello  
To anyone who's listening  
Put on a show  
If that's what makes your ears prick  
This microphone  
Will take a word and make it bigger  
Oh hello  
So here goes

Steppin' right up to the microphone  
I say hey man!  
There's only one way!  
One God one body one faith alone  
If you don't know  
Then ya need to be told!

Steppin' right up to the microphone  
I say hey man!  
There's only one way!  
One God one body one faith alone  
I said hey boy  
It's a narrow road

I say hello  
To anyone who's listening  
The message ain't nothing new  
I don't decide what's true  
So when the stones get thrown  
They either miss or  
They turn to glory  
Here's the story as far as I know

Steppin' right up to the microphone  
I say hey man!  
There's only one way!  
One God one body one faith alone  
If you don't know  
Then ya need to be told!

Steppin' right up to the microphone  
I say hey man!  
There's only one way!  
One God one body one faith alone  
I said hey boy  
It's a narrow road

Steppin' up  
I don't step alone  
The question is "how do we know  
What we know"  
The answer is so plain to me  
So here I go  
Tap the mic "test 1, 2, 3"

Steppin' right up to the microphone  
I say hey man!  
There's only one way!

One God one body one faith alone  
If you don't know  
Then ya need to be told!

Steppin' right up to the microphone  
I say hey man!  
There's only one way!  
One God one body one faith alone  
I said hey boy  
It's a narrow road

Steppin' right up to the microphone  
I say hey man!  
There's only one way!  
One God one body one faith alone  
If you don't know  
Then ya need to be told!

Steppin' right up to the microphone  
I say hey man!  
There's only one way!  
One God one body one faith alone  
I said hey boy  
It's a narrow road
