1. Look at this photograph

B

Every time I do it makes me laugh

C#

How did our eyes get so red

As

And what the hell is on Joey's head

Essus2

This is where I grew up

B

I think the present owner fixed it up

C#

I never knew we ever went without

As

The second floor is hard for sneakin' out

2. This is where I went to school

Most of the time had better things to do

Criminal record says I broke in twice

I must've done it half a dozen times

I wonder if it's too late

Should I go back and try to graduate

Life's better now than it was back then

As

F#

As

If I was them I wouldn't let me in ooooooh oh god I

R: Every memory of looking out the back door

I had my photo album spread out on my bedroom floor

It's hard to say It's time to say it

Goodbye, Goodbye

Every memory of walking out the front door

I found the photo of the friend That I was looking for

It's hard to say It's time to say it

Goodbye, Goodbye

F#

So hard to stay

As

Too hard to leave it

Essus2

If I could relive those days

B

I know the one thing that would never change
