Someday

Nickelback

```
   Bmi                    G          Dsus2
1. How the hell did we wind up like this
          A
   Why weren't we able
   Bmi         G          Dsus2
   To see the signs that we missed
           A
   try to turn the tables
   Bmi            G          Dsus2
   I wish you'd unclench your fists
          A
   And unpack your suitcase
   Bmi                  G          Dsus2
   Lately there's been too much of this
              A
   But don't think its too late

   E
R: Nothin's wrong
           G
   just as long as
                    A
   you know that someday I will
   G   Dsus2     A
   Someday, somehow
                      Bmi
   I'm gonna make it allright but not right now
   G           A          Bmi              A
   I know you're wondering when (You're the only one who knows that)
   G   Dsus2     A
   Someday, somehow
                      Bmi
   I'm gonna make it allright but not right now
   G           A          Bmi
   I know you're wondering when
```

```
2. Well I hoped that since we're here anyway
   We could end up saying
   Things we've always needed to say
   So we could end up stringing
   Now the story's played out like this
   Just like a paperback novel
   Lets rewrite an ending that fits
   Instead of a hollywood horror

R: Nothin's wrong
   just as long as
   you know that someday I will
   Someday, somehow
   I'm gonna make it allright but not right now
   I know you're wondering when(You're the only one who knows that)
   Someday, somehow
   I'm gonna make it allright but not right now
   G           A          Bmi              A
   I know you're wondering when(You're the only one who knows that)
